

WINNEBAGO INDUSTRIES CAMPUS

FOREST CITY, IOWA

Forest City is the birthplace and historic home of Winnebago Industries. Our Forest City campus currently focuses on the production of Winnebago Motorhomes and includes several “vertical integration” facilities that produce parts and assemblies used in the production of RVs.

The Company has two public facing facilities in Forest City:

The Winnebago Industries Visitors Center includes historical exhibits outlining the Company’s history as well information on current products and operations and a gift shop. All North Iowa Factory tours begin at the Visitors Center.

Winnebago Factory Service Center focuses on maintenance and repairs of consumer’s RVs and features an onsite parts and accessories.
