CURTAIN, CUSHION & PAD GROUP

NOTICE

In order to assist our Parts Sales Dept. in providing interior software items, please include the serial number and the color code number from the vehicle certification label when ordering. This label is located on the left sidewall at the end of the dash (A-Body), or on the driver's door latch plate (C-Body).

An example of a color code number is P31, which designates an overall color scheme of a particular unit. The color listed after the item description on the microfiche, indicates the overall unit color. Order the item you desire according to unit color code.

NOTE

Use this illustration when determining length and width measurements for curtains. You will note the width measurement is taken on the top of the curtain with the curtain fully extended. The length measurement is taken from top to bottom.
