MINNIE

Legendary quality.
Bound by what’s next
The compact camper without compromise, Micro Minnie is big on features and ready for wayfaring. At seven feet wide and with multiple open floorplans to choose from, experience the camper life the way you want.

- **Spacious Kitchen** Ample galley space, a sink, double door refrigerator, convection microwave, and even a cook-top makes cooking its own rewarding adventure.
- **Rest Fresh** Built to be a breath of fresh air, every Micro Minnie floorplan hosts a spacious mattress and windows designed for cross ventilation and a great night’s sleep.
- **Open-Air Entertainment** Patio speakers and a power awning featuring LED lighting let you take the fun outside with the touch of a button.
- **Flexible Storage** Each of the 10 versatile floorplans are packed with enough added exterior storage that packing is a snap.
- **Responsive Size** Leave cumbersome extended mirrors behind. At 7-ft.-wide, Micro Minnie offers the greater visibility that makes towing and turning a snap.
MINNIE
COMPACT CAMPER. BIG ADVENTURE.

It may go by Minnie, but it’s designed for big outdoor adventure. An easy-to-pull, lightweight camper, Minnie maximizes its compact space with features that challenge the conventional idea of what a travel trailer can be.

• **Maximum Comfort** Whatever creatures you meet outdoors, don’t forget your creature comforts inside. With Minnie’s flexible sleeping arrangements, spacious galley, and large private bathroom, relax and rest easy.

• **Stunning Surfaces** Full, easy-to-clean linoleum surfaces and a light, stylish interior will brighten any trip.

• **Sizzling Showcase** The double-door gas/electric refrigerator, convection microwave, stainless steel sink and three-burner cooktop are just some of the many stars of the full kitchen.

• **Entertainment Score** From game night to the big game, bring your entertainment outdoors with external patio speakers and external TV hookup.

• **Class-Leading Storage** Master packing day and leave nothing behind with 44 cu. ft. of exterior storage – the best in its class.
Micro Minnie's EZ Glide Sleeper folds down to provide comfortable sleeping for two adults.

Standard 10.3 cu. ft. 12V refrigerator and modern cabinetry add style and functionality to Micro Minnies interior.

The redesigned murphy bed in the 2108DS floorplan allows the bed to easily fold up and out of the way.

Interior & exterior photos are of the 2108DS floorplan with Crosshatch interior decor.
Interior & exterior photos are of the 2529RG floorplan with Crosshatch interior decor.

The new Dream Dinette allows for quick and easy dinette table to bed conversion.

Sliderooms expand the Minnie’s livable space.

All floorplans offer at least 60”x80” of sleeping space.

3 Year Limited Structural Warranty:
The Winnebago Towables Limited Structural Warranty covers your RV for a period of three (3) years from the date of purchase by the original owner. This structural warranty covers the workmanship attributable to Winnebago’s manufacturing and assembly of the structural portions of your RV. Structural coverage includes:
- Main steel frame
- Steel frame outriggers and cross members
- Skeletal framing (wall studs, floor joists, roof rafters)
- Sidewall assembly
- Roof assembly

1 Year Limited Base Warranty:
In addition to the 3-Year Limited Structural Warranty, the Winnebago Towables Limited Base Warranty covers your RV for a period of one (1) year from the date of purchase by the original owner. This limited warranty covers defects in materials and workmanship supplied by and attributed to Winnebago’s manufacturing and assembly of the RV.
Every Towable is equipped with Winnebago’s Comfort Tech and Explorer Packages.

TPO ROOFING
A durable, bacteria-resistant material protects against debris, algae, ultraviolet and chemical exposure. Its flexible membrane allows it to withstand punctures, tears, and impact-related damage.

ROOF-MOUNTED SOLAR PREP
Prewired for this quiet alternative to generators, this system offers flexible camping options, and lower emissions while providing uninterrupted power to lights, furnaces, fans, and DC appliances.

COLOR-CODED WIRING
Easy-to-trace circuits simplify electrical and other system troubleshooting, reducing service time.

AZDEL MATERIALS
A durable, lightweight material protects from moisture and high temperatures to increase RV lifespan by reducing the risk of mold, decay and rot.

TOWABLES BRAND STORY

Brand Promise
Winnebago gives you a community to belong to that pushes the boundaries of every adventure.

The Winnebago Towable Legacy
Towables are in Winnebago’s DNA. In fact, Winnebago was founded in 1958, originally as a travel trailer manufacturer. Since then, we have evolved our towables offering to not just meet, but exceed, the demands of our consumers. Inspired by our founder, industry pioneer John K. Hanson, we continue to push what’s possible in the towable category through relentless innovation.

Our Brand Positioning: United and Boundless
We are for the boundless adventurers and travelers who have a drive for experiencing what’s next with those who matter to us most. Winnebago provides a community united by pride and a sense of belonging. With our commitment to quality, innovation and consumer trust, we take you further, for longer. So that you can always be bound by the adventure ahead.

Committed to Dealer Success
When a dealer partners with Winnebago, they experience support that is unmatched by any other. We only allow one dealer per market. This means less competition, greater return on the dealer’s investment, and a consistent customer experience. Better point of service, and response time, translates into happy customers. Our owner communities are passionate and unlike any other, and that is directly influenced by their satisfaction and advocacy for our brand.
