

MERIDIAN® + Meridian® V Class { 2010 }

 **ITASCA**

You're Going Places

Travel to the coast or head for the hills. The power and comfort of a diesel pusher coach gives you more options and more places to explore. And wherever you go, you can always count on the comfort and performance of your Itasca Meridian® or Meridian® V Class. It will serve as your personal guide, your home away from home and your ticket to travel freedom.

The Itasca Difference Itasca motor homes are built on our exclusive SuperStructure® foundation creating some of the industry's strongest, most durable motor homes. Quality components, precision manufacturing and attention to the smallest details—such as running every coach through our high-pressure leak test—all go into making Itasca motor homes simply the best.

MERIDIAN® + Meridian® V Class

Exteriors

Five full-body paint styles help you stand out from the crowd.

The Choice is Yours

Embark on your own adventures in a Meridian or Meridian V Class. The Meridian rewards those who appreciate the finer things in life with high-end amenities and the remarkably smooth performance of the 32,350-lb. GVWR Maxum™ Chassis. Value seekers will appreciate the family-friendly Meridian V Class with its 27,910-lb. GVWR Freightliner® XCS chassis and unique floorplans, including a full-wall slideout on the 34Y. Both the Meridian and Meridian V Class have powerful Cummins® engines and offer innovative SmartSpace™ amenities that make the most of the available space. When you are ready to enjoy the diesel pusher lifestyle, the choice is yours: the Itasca Meridian or Meridian V Class.

Interior Highlights

- LCD HDTV
- Home theater sound system
- CD/DVD player
- Inverter
- Available duo roller shades (Meridian only)
- Dual-glazed, thermo-insulated windows

REST EASY®

Whatever Suits Your Style

Your choice of Honey Cherry, Belmont Maple, new Forest Cherry or new Coffee-Glazed Sierra Maple cabinetry and three interior decor collections ensure that your Meridian or Meridian V Class perfectly reflects your taste and style. Accent rope lighting and low-maintenance flooring add decorative touches and ease to your life on the road.

After a day of travel and adventures you can kick back and watch the LCD HDTV. The DVD player comes with the home theater sound system that delivers lifelike surround sound through five speakers and a subwoofer. For added entertainment options, the Meridian and Meridian V Class come pre-wired for the available King-Dome® dual-LNB satellite system that can send programming to two receivers at the same time. You can also add a second TV in the front overhead cabinet for even more viewing options (Meridian V Class 39N, Meridian 40L and 40T).

Relax in the adjustable Rest Easy® multi-position lounge that glides from a couch to a recliner to a bed at the press of a button. You can also choose the available Rest Easy theater seating (NA Meridian V Class) for matching recliners that convert into twin beds.

40T

Your Dream Kitchen

Unleash your inner chef in your new kitchen full of popular features. Conveniences such as a standard 30" microwave/convection oven (optional on Meridian V Class) and an Amana® three-burner sealed range make gourmet meals a snap. Add the available Corian® countertops provide an elegant workspace with matching sink and range covers that create even more prep space. You'll store plenty of food for longer trips or additional dinner guests in the four-door refrigerator/freezer and the pullout pantry (NA Meridian 40L) with adjustable shelves.

The BenchMark® full-comfort dinette provides innerspring comfort while you dine. It includes seats that flip up for easy-to-access hidden storage and the Dream Dinette™ table that raises and lowers easily, making bed conversion a snap.

The only manufacturer to have received the RVDA Quality Circle Award for exceptional products, service and support for 13 consecutive years

Get Your Rest

The large, luxurious bedroom ensures you get a peaceful night's sleep and comes with abundant storage as well as your choice of sleeping options. Upgrade the standard innerspring mattress to the Ideal Rest® body-conforming memory foam mattress or the Sleep Number® bed by Select Comfort™ (Meridian 40L and 40T) that lets you independently adjust the firmness of each side of the bed. The Meridian V Class 39N even offers an available king-size power adjustable bed with the Ideal Rest body-conforming mattress, and bunk beds that easily convert into a secondary wardrobe. All models let you wind down at the end of the day with a 26" LCD HDTV and an available CD/DVD stereo system.

Bedroom Amenities

- Available Ideal Rest memory foam mattress
- Available washer/dryer
- 26" LCD HDTV
- Available stereo system with CD/DVD player

Set Your Course

The ergonomic dash features a tilting/telescoping steering wheel and the available Garmin® GPS navigation system with turn-by-turn voice guidance to direct you to every destination. The Garmin system comes with a remote control and a large touch screen that makes programming easy. Electric mirrors with defrost and available sideview cameras that activate with the turn signal also help with navigation.

UltraLeather cab seats with a power pedestal for the driver (optional on Meridian V Class) and optional power pedestal for the passenger (Meridian) adjust to keep you comfortable. Sit back and listen to the RV Radio,® complete with a CD player and weather band. Upgrade your RV Radio with the available Sirius® satellite radio package, which brings you over 120 digital channels and comes with a complimentary six-month subscription. It also includes an iPod interface connector so you can control and listen to your iPod through the dash stereo.

Dash Features

- Rearview monitor
- Available Garmin GPS
- RV Radio
- Available Sirius satellite radio
- Power front shades w/solar/blackout (optional on Meridian V Class)
- Remote keyless entry

Committed to Service We back our motor homes with the industry's best service after the sale:

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
 - RV Technical Assistance Hotline
 - RV Service Appointment Assistance
 - Emergency Trip Interruption
 - Emergency Message Service
 - Nationwide Trip Routing
 - Fee-Free Travelers Cheques

Get There and Enjoy the Stay

Reach your destination and relax with the park-n-play design of the Itasca Meridian or Meridian V Class. An exterior service center with color-coded labels, along with the QuickPort® service hatch and QuickConnect® coupling valve (Meridian), makes connecting at the campsite a snap. Large, pass-through compartments (Meridian) hold plenty of gear while an available exterior entertainment center packs in the fun. No shoreline power? No problem with the Cummins Onan® Quiet Diesel™ generator that is available with the Energy Command™ automatic start/stop system. Large-capacity Group 31 coach batteries let you extend your dry camping. You'll be set up and enjoying the day in no time.

Meridian®

Enjoy the Ride The Maxum Chassis brings together our exclusive SuperStructure® technology and the Freightliner® XCS Chassis for a stronger frame and the smoothest ride and handling ever.

Winnebago Industries' Smart Storage™ philosophy creates taller compartment openings, larger pass-through compartments, and a 228 cubic-foot storage capacity that no other chassis in its class can match. The revolutionary lowered-rail design increases the cross-coach storage height for the most efficient use of space.

- 32,350-lb. GVWR
- Cummins® ISC 8.3L turbo-charged diesel engine
- Allison® 3000 MH 6-speed automatic transmission
- Infinitely adjustable tilt-and-telescope steering wheel
- 55° wheel cut
- NeWay® front and rear air suspension
- 10,000-lb. hitch⁶
- Engine exhaust brake

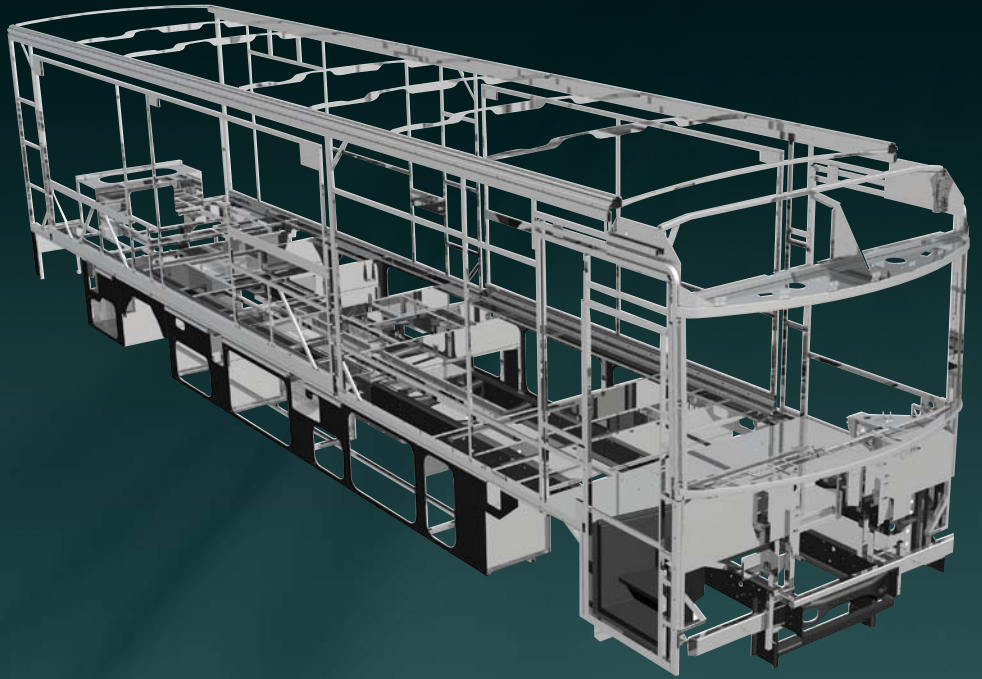

Meridian® V Class

Bold and Beautiful The Meridian V Class is offered exclusively on a Freightliner XCS chassis specifically designed and created for diesel-pusher motor home applications with the smooth ride and performance you demand. The Freightliner service network is second to none with over 400 locations in the U.S. and Canada, many open 24/7.

- 27,910-lb. GVWR
- Cummins® ISB 6.7L turbo-charged diesel engine
- Allison® 2500 MH 6-speed automatic transmission
- Infinitely adjustable tilt-and-telescope steering wheel
- 55° wheel cut
- NeWay® front and rear air suspension
- 10,000-lb. hitch⁶
- Engine exhaust brake

SUPER STRUCTURE

SuperStructure Legendary strength and durability are the results of SuperStructure construction that goes into every Itasca motor home. It's the combination of quality, proprietary components and careful attention to detail that makes Itasca motor homes the cream of the crop.

- Patented Thermo-Panel™ sidewalls are durable and lightweight.
- Specially engineered interlocking joints connect the floor, sidewalls and roof together for strength and durability.
- An automotive-style dip tank applies an advanced electrodeposition coating that protects critical steel components.
- The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Outside Entertainment The available exterior entertainment center features a 32" LCD TV, DVD player, radio, speakers, remote and a lockable compartment. The Meridian also offers an available sliding storage tray that slides out for easy access from both sides of the coach.

The OnePlace® systems center lets you monitor and control key systems from one convenient location.

- **TRUEAIR** residential air conditioning includes a heat pump
- **TRUELEVEL** tank monitors use sonar technology to provide precise readings every time
- **POWERLINE** energy management system monitors electrical usage and automatically cycles appliances on and off to prevent tripped circuit breakers

Floorplans & Specifications

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

36-month/36,000-mile limited warranty on structure⁸
10-year limited parts-and-labor warranty on roof skin⁸

⁰ Optional

^{NA} Not Available

¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

² Meridian and Meridian V Class floorplans feature a wide-body design - over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

³ The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.

⁴ Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

⁵ Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

⁶ Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

⁷ See separate chassis warranty.

⁸ See your dealer for complete warranty information.

Not all items available in combination. See dealer for details.

Winnemago Industries™ continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
