Cambria

WINNEBAGO

Why Cambria?

- Ultraleather™ furniture
- Swivel cab seats
- LED lighting
- Available Ideal Rest® Nouveau digital comfort control mattress
- Rear storage trunk with drain plug and folding table
- 4,000-watt Cummins® Onan® MicroQuiet™ gas generator
- Available solar panel/ battery charger system
- Available tankless water heater with recirculation pump

On the Cover: **30J** Coffee Full-Body Paint

30J Nantucket with Coffee-Glazed Honey Cherry Cabinetry

Lead the Way

Winnebago® continues to lead the Class C market thanks to a commitment to quality construction and innovative features. The Cambria® embodies this mantra with standard amenities such as swivel cab seats that become part of the lounge and a large exterior storage trunk with a recessed compartment where you can keep drinks on ice. Available upgrades include dual-pane Contour™ frameless windows that are unrivaled for their quality in the Class C market. Choose from two floorplans, both with walk-around queen beds and robust entertainment centers, that provide all the residential comfort you crave when you're on the road. Lead the way in comfort and class in a Winnebago Cambria.

MotorHome READERS' CHOICE AWARDS 2016 GOLD AWARD WINNER

2016 MotorHome READERS' CHOICE WINNER Class C

30J Nantucket with Coffee-Glazed Honey Cherry Cabinetry

Soft vinyl ceilings, MCD roller shades, new color ways and Ultraleather™ furniture set the tone for a pleasant journey. The 27K offers the choice of the standard BenchMark® dinette or the Flexsteel® Fold N Tumble, while the 30J has room for both. The Rest Easy® powered reclining sofa is also available in each model. Watch movies and more on the HDTV that is connected to the dash DVD player and controlled with a handy remote. For the complete Winnebago fit and finish experience, select the frameless, dual-pane windows that provide a nearly seamless transition from the coach body for superior sealing, reduced wind noise, and a more elegant overall appearance.

30J Galley

With polished Corian® countertops and a beautiful glazed finish on the cabinets, you'll love spending time in the galley preparing meals or simply enjoying your morning coffee. The 3-burner range and the space-saving microwave/convection oven, that cooks and browns like a conventional oven in less time, make every recipe in your cookbook a possibility. A two-door refrigerator/freezer comes standard or you can upgrade to a four-door model (27K) that increases your cold storage space and adds a handy icemaker.

30J Wardrobe

30J Bathroom

The queen bed fits comfortably in a master bedroom that features a large wardrobe with drawers in a perfectly sized slideout. Upgrade to the Ideal Rest Nouveau digital comfort control mattress for dual comfort zones that you can quickly dial in to your preferred firmness level using the remote on each side of the bed. An HDTV comes standard for those who like to catch a show or two before calling it a night.

Dash

The Cambria puts the joy in travel starting with a standard Radio/Rearview Monitor System. It includes a 6.2" touchscreen, DVD receiver, iPod/MP3 input, Bluetooth® technology and is loaded with apps for SiriusXM,® Spotify,® and AppRadio One™ (subscription not included). Upgrade to the Infotainment Center with Rand McNally GPS for an additional touchscreen monitor, plus turn-by-turn voice guidance powered by one of the most trusted names in navigation. The cab seats provide optimal support for long days on the road and swivel to become part of the lounge when your travel day is done.

Swivel Cab Seats

Powered Mirrors with Defrost and Available Rearview Camera

The inviting powered patio awning with LED lighting means you'll probably be spending a lot of your time outdoors. Why not up the ante by adding the available Exterior Entertainment Center? It comes with stereo speakers, AM/FM radio, CD/DVD player, and inputs for those devices you want to connect. If you want to keep cold beverages on hand, pop open the large rear storage compartment and fill the bin with ice. The compartment includes a folding table and a drain plug making cleanup a snap.

Fiberglass Roof
The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

Thermo-Panel® Sidewalls
By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

E-Coating An electrodeposition coating helps protect critical steel components.

Solid Framework Structural extruded aluminum creates an extremely strong and solid structural framework.

SUPER STRUCTURE®
BUILT TO LAST

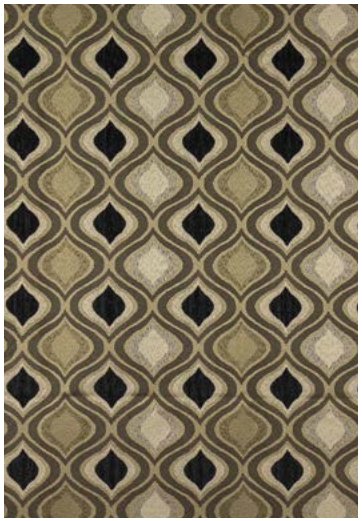

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

36-month/36,000-mile limited warranty on structure[8]

10-year limited parts-and-labor warranty on roof skin[8]

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
2. Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
4. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
5. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
7. See separate chassis warranty.
8. See your dealer for complete warranty information.

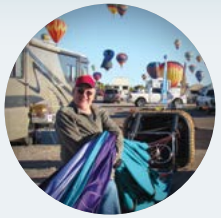

NA Not Available

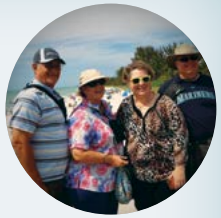

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
